

Australian Inflammation Centres 2026 Annual Symposium

(jointly held with the ASI Innate Immunity
Special Interest Group and ACDS)

REGISTRATION NOW OPEN: Hosted at Melbourne Dental School, Nov 9-10, 2026

Registration (free) is now open for the 2026 Annual AIC Symposium, jointly held with the ASI Innate Immunity Special Interest Group and the Australasian Cell Death Society. This national two-day showcase event, hosted at Melbourne Dental School, will provide an opportunity for inflammation, innate immunity and cell death research communities to engage, connect and enhance research collaboration.

Topics include:

- Innate mechanisms in disease
- Inflammation and cancer
- Infection and vaccination
- Immune cell signalling
- Emerging therapeutics and biomarkers

Short talks will be selected from submitted abstracts, and there will also be a poster session and networking opportunities.

For **registration**, **abstract submission**, invited speakers, program updates, and further information, please visit the symposium website:
